-----  
What is the distribution system in Morocco?

Morocco has an established distribution system with wholesalers and dealers. For technical products, after-service sales support is key to attracting customers. For instance, there is a well-developed software distribution network supported by IT integrator companies and resellers of multiple types of software products.

Which international shipping companies are based in Morocco?

International shippers such as DHL, FedEx, and UPS are established in the larger urban areas of Morocco. Potential U.S. investors and exporters should perform due diligence on local agents, partners, and customers.

Where are franchise outlets located in Morocco?

Franchise outlets are concentrated in metropolitan Rabat and Casablanca due to higher population density and purchasing power. Other urban centers with franchises include Tangier, Tetouan, Marrakech, Agadir, Fez, and Meknes.
