Everything you ever needed to know about Australia's Finn Peacock, and a bunch of other information about Finn you probably don't.

My name's Finn Peacock. I'm a Chartered Engineer, ex-CSIRO, and I've been helping Aussies buy solar and batteries for over 15 years. The good news: in my experience, most local ...

Finn Peacock, Chartered Electrical Engineer, Ex-CSIRO. The Good Solar Guide demystifies the solar buying process in Australia showing you how many panels you need, which ...

Finn Peacock, ex-CSIRO & Founder of SolarQuotes provides an independent review on buying solar and how to choose a solar panel installer.

Finn is a prolific blogger and spends his days helping homeowners understand how to best use solar to get their bills down, inserting the occasional bad joke to keep things interesting. Finn ...

Finn Peacock is the author of The Good Solar Guide (4.66 avg rating, 65 ratings, 7 reviews), An Idiot's Guide to the PID Algorithm (0.0 avg rating, 0 rat...

I had used MJJ solar for my solar panels, recommended by Finn Peacock in 2019, so it seemed appropriate to ask them to quote for a battery. They were quick and responsive, but I did think I ...

This is a must visit for anyone considering solar as it provides all the information you need to understand what is involved, what to be aware of and extensive reviews and recommendations on the hardware ...

When I'm not running Australia's #1 solar website, writing about solar energy or riding my mountain bike, I'm deciding what colour to dye my hair.
