How many companies does Hengtong have?

Hengtong has over 70 wholly-owned companies and holding companies (5 of which are listed on the Shanghai, Shenzhen, Hong Kong and Indonesian stock exchanges), with 12 manufacturing facilities and 9 sales companies based in Europe, North America, South America, Africa, South Asia and Southeast Asia.

What does Hengtong do?

Through deepening the combination between industry and finance, it is dedicated to building an excellent and comprehensive financial industry group in China. HENGTONG engages in the multi-service operation areas, such as real estate development, cultural tourism, and hospitality service.

What financial services does Hengtong offer?

HENGTONG boasts a multi-licensed and comprehensive structure of financial services covering life insurance, finance corporations, financial lease and capital lease, guarantee, micro finance, and pawn.

Why should you choose Hengtong?

With various innovation platforms (national enterprise technology center, academician workstation, post-doctoral scientific research stations, etc.), Hengtong continuously achieves breakthroughs in key technologies in the fields of optical fiber communication, ultra-high voltage submarine cable and semiconductor materials.
