There are a number of smaller locally assembled batteries available which get excellent reviews and offer long warranty but I wouldn't consider them in my case because you need to return ...

#kings #lithium #fix#resettlethium #battery #faultEasy & safe way to get you lithium going again.

Is anyone running the kings 200ah lithium batteries, and if so ...are they working up to expectations or specifications... Be wary that influencer opinions may not be objective, as they may ...

I also pinched that idea and put a dc/dc on one of the camper batteries, to avoid possible voltage drop issues whilst on the move and allow solar charging. (fridge in camper as well, so needs ...

A user shares their experience of a flat Kings battery after using a Kings fridge for two nights. They ask for advice on how to charge and prevent flat batteries, but no one responds to their post.

AFTER 1 ENTIRE YEAR using the Kings Lithium Battery, it's time to do my review, Is this a battery you should be buying for your 4wds 12v system, ...

I am building a new canopy for the Landcruiser and was thinking whether to add a battery monitor. Up until now I have just worked off a voltage meter to see the condition of my battery. Power ...

Users share their experiences and opinions on the Kings 120AH Lithium Battery, a budget-friendly option for battery powered camping. See the ...

Kings lithium batteries - they seem to be fairly honest and problem free. Has anyone ever had a major problem with the battery itself, ie not the charger or solar panel.

I did some umming and arring on whether or not to buy a Kings 120ah battery. After watching a few reviews and reading a few reviews I bit the bullet and went out and got one ...

Kings lithium battery problems

If you find a battery that allows use in extreme hot or cold, or specs crazy discharge rates then that means they have taken liberties with the programming of the BMS and moved away from ...

So you can see its fairly complicated with trade offs everywhere. That battery looks actually pretty respectable, but you can't trust rs. You can't be sure of any shenanigans like ...
