What is the Bess project bidding process?

The BESS Project bidding process will be conducted in 2 stages: Request for Proposal (RFP): qualified bidders will be invited to submit their proposals for the BESS project to the Energy Commission. The RFQ document is available for purchase starting from 29 November 2024 until 13 December 2024.

Why is Malaysia launching a Bess project?

The inaugural development of public BESS project in Malaysia is part of the Government's efforts to support the energy transition and achieve the goals of increasing the country's installed renewable energy capacity to 70% and to achieve net-zero by 2050.

Should foreign players participate in Bess projects in Malaysia?

Nevertheless, given that the development of BESS projects in Malaysia is still at an early stage, participation of foreign players with experiences in energy storage system projects may be crucial to support and encourage further projects of the same nature to be developed in the Malaysia energy market in the future.

TendersOnTime, the best online tenders portal, provides latest Malaysia Energy tenders, RFP, Bids and eprocurement notices from various states and counties in Malaysia.
