Information on how to install and operate this product is available in the installation instruction. All values indicated in this data sheet are subject to change without prior announcement. The specifications ...

Suntech, founded in 2001, is a solar panel manufacturer based in San Francisco. On this page, you can find a complete list of solar panels from Suntech and compare models side-by-side.

Suntech presents the STP420S-C54/Nshm solar module, which provides an impressive output of 420 watts for optimum use of solar energy. A one-sided solar module with high efficiency for standard ...

Suntech, founded in 2001, as a famous photovoltaic manufacturer in the world, is devoted to the R & D and the production of crystalline silicon solar cells and modules for 21 years.

This all-black panel, made from monocrystalline cells, offers a power range from 420W to 440W, making it ideal for both residential and commercial applications.

STP420S-C54/Nshkm+ Solar Panel Product Information - (420W) by Wuxi Suntech Power Co Ltd including datasheet and warranty information where available.

The systems are designed so that the panels can be mounted both vertically and horizontally. The solar cell package can be shipped for a shipping fee or picked up at the seller's ...
