---

Cell temperature difference across the cabinet stays under 3°C. That tight control keeps the battery pack balanced, improves system stability, and helps extend cell life over the long run. The modular design ...

Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection ...

The Lvwo liquid-cooling energy storage system adopts a liquid-cooled thermal management solution, with a nominal capacity of 215kWh and an output power of 100kW; it consists of 5 sets of ...

Featuring liquid-cooling DC battery cabinet, this system excels in performance and efficiency. Its design optimization slashes lead time by 50% compared to traditional Battery Energy Storage System ...

The 261kWh liquid-cooled BESS is an advanced outdoor energy storage cabinet designed for commercial and industrial applications. Featuring a high-efficiency liquid cooling system, it ensures ...

Our newly launched liquid cooling energy storage system represents the culmination of 15 years of expertise in lithium battery storage innovation. This liquid cooling energy storage system ...

Its liquid cooling technology guarantees optimal performance even in confined spaces, making it ideal for both large industrial facilities and smaller public utility deployments.

**EFFICIENT AND DURABLE** Industry leading LFP cell technology up to 10,000 cycles with high thermal stability Liquid cooling capable for better efficiency and extended battery life cycle Higher energy ...

The MEGATRONS 373kWh Battery Energy Storage Solution is an ideal solution for medium to large scale energy storage projects. Utilizing Tier 1 LFP battery cells, each battery cabinet is designed for ...

## Wellington liquid-cooled energy storage large battery cabinet

Our liquid-cooling energy storage cabinet is engineered for high-efficiency, scalable ESS solutions. It combines top-tier LiFePO4 cells, advanced liquid cooling, and AI-powered safety features to ensure ...
